# CRYSTAL CHANDELIERS

We are the proud follower of more than 300-year tradition of manufacturing chandeliers in the Bohemian region, and our range of traditional crystal chandeliers includes more than a thousand unique products.

**MARIA TEREZIA**

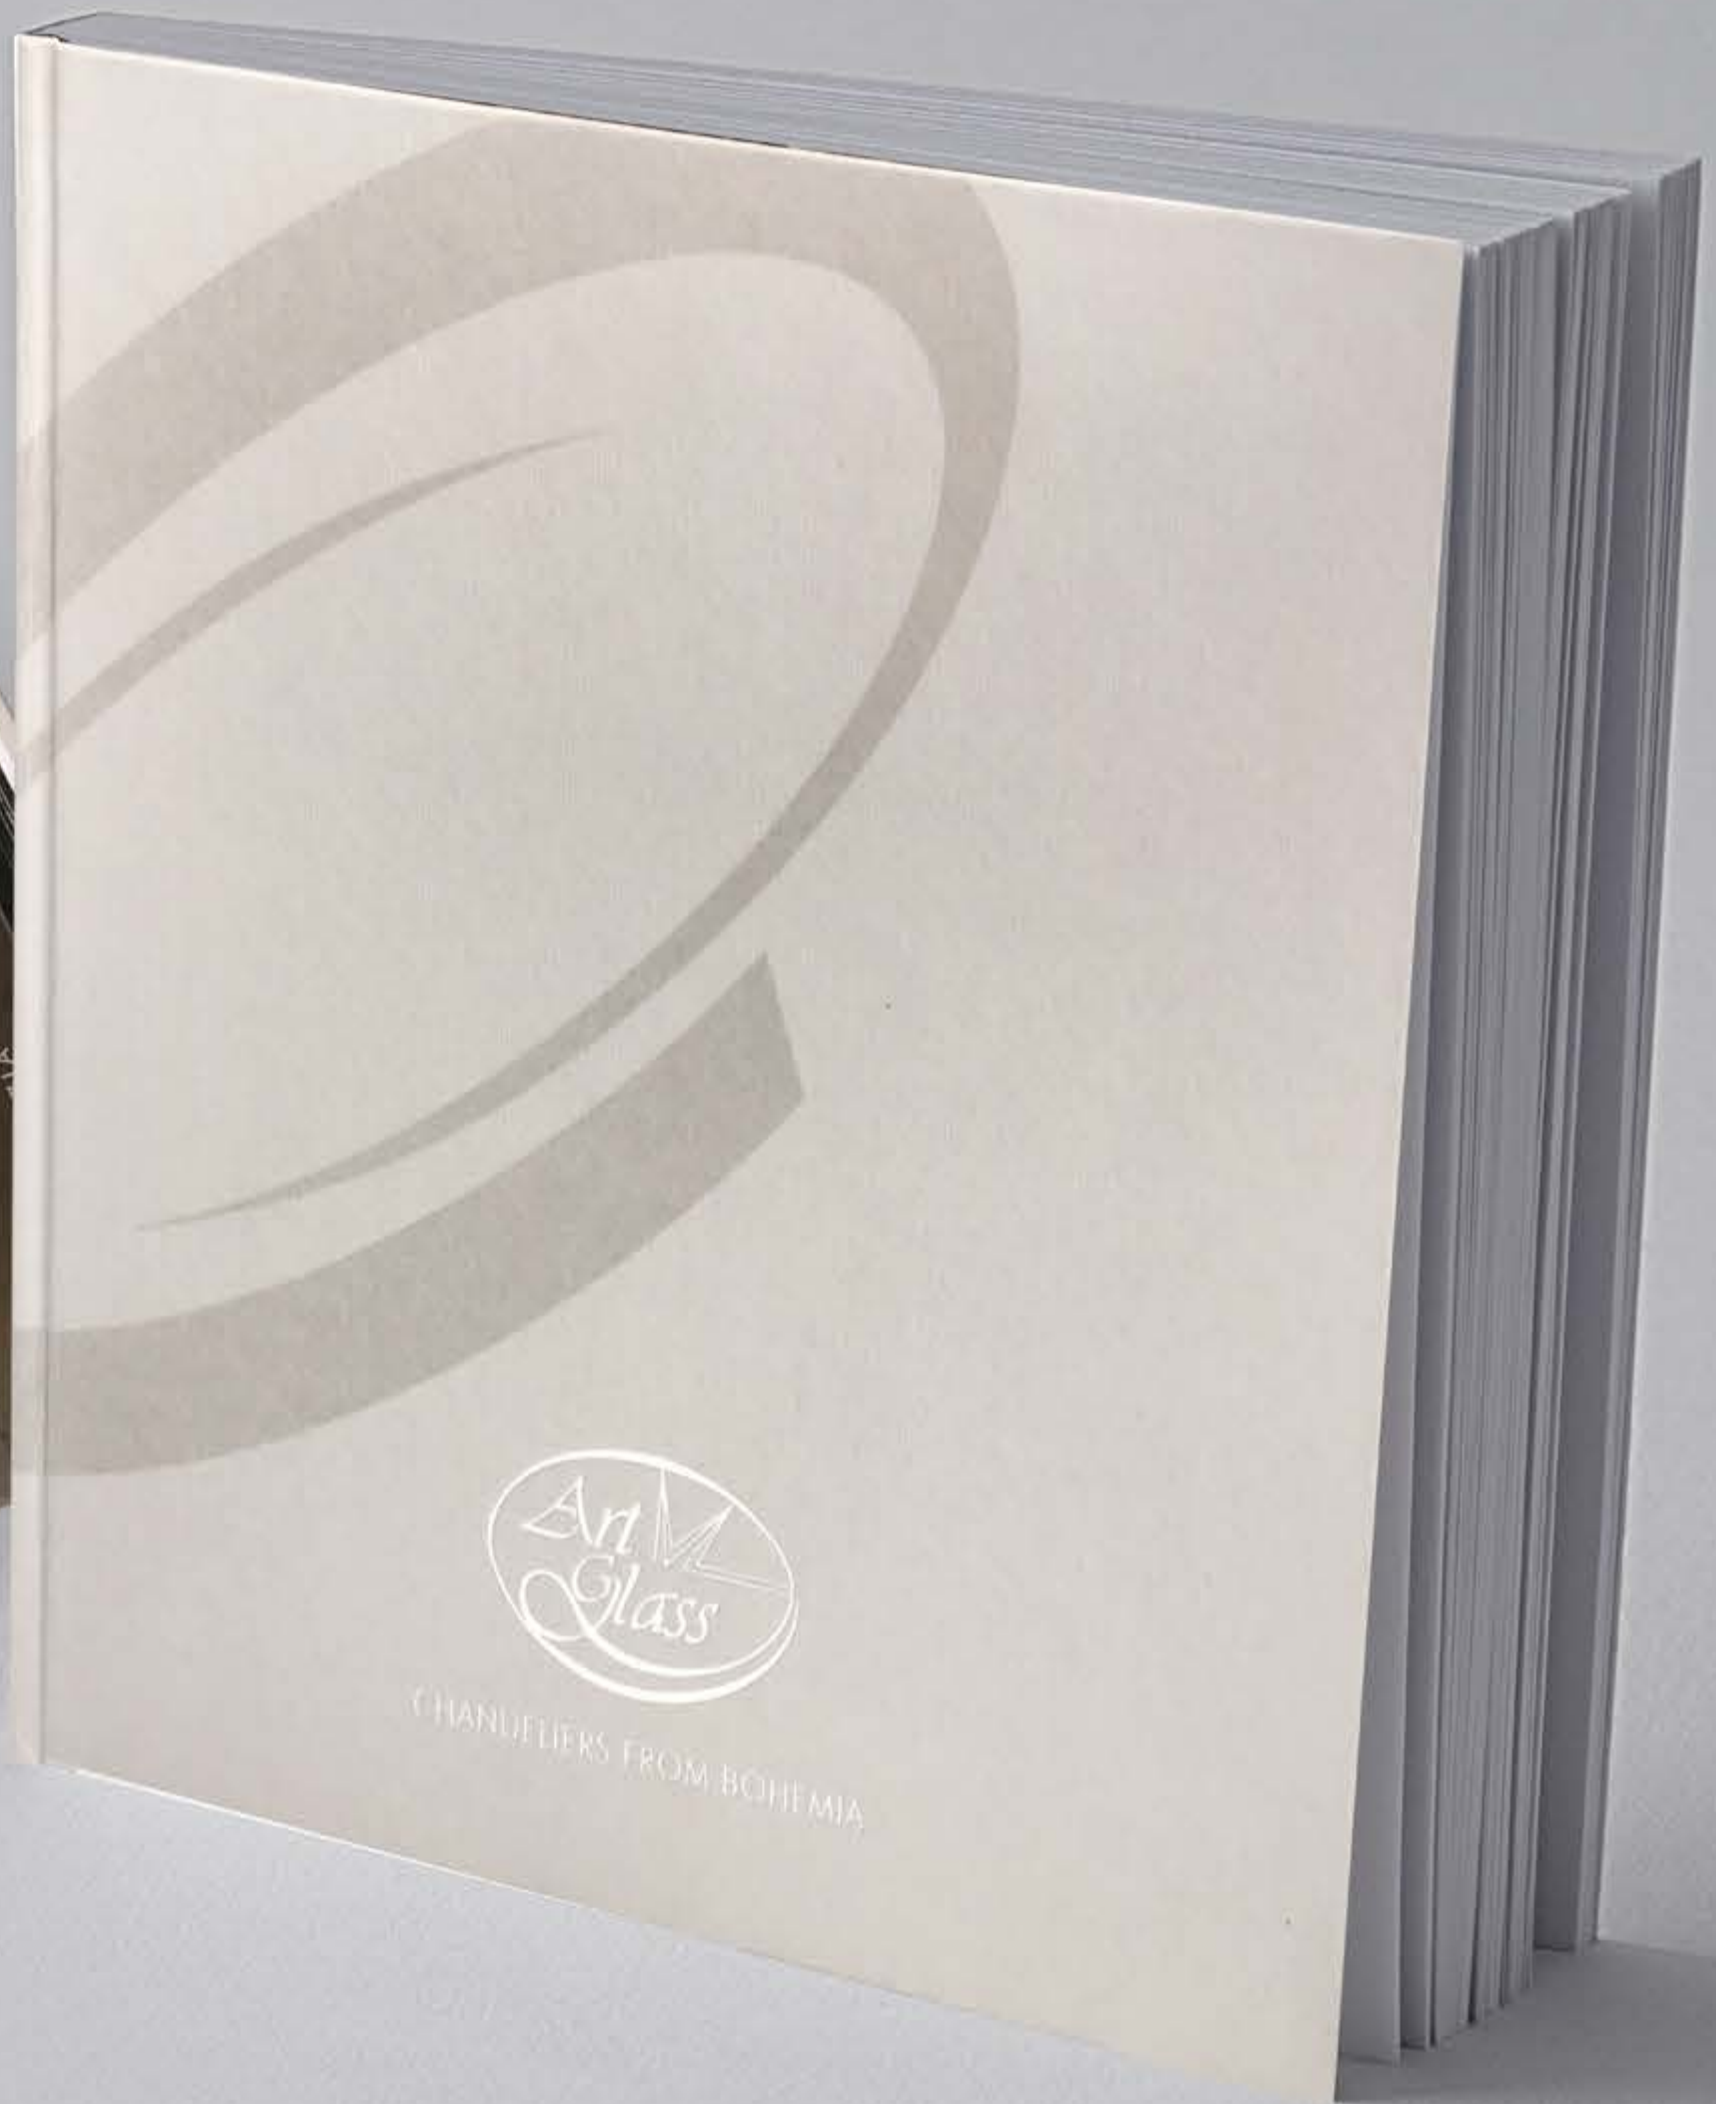

Give in to the soothing calm created by the lighting fixture that so bewitched Empress Maria Theresa with its noble design. Still as popular as ever, this design is in demand the world over. Let yourself be charmed by its history and amazed by this queen of crystal lighting.

**MARÍA TERESA**

Déjense abrazar por la plácida atmósfera de esta lámpara que ya desde el siglo XVIII encantó con su majestuosidad a la emperatriz María Teresa. La popularidad de esta lámpara se ha mantenido hasta hoy siendo de lirio ya en su forma tradicional de lirio ya en estilo moderno, un artículo muy solicitado en todo el mundo. Déjense abrazar por un soplo de historia y deléitense con una verdadera joya entre las lámparas de cristal.

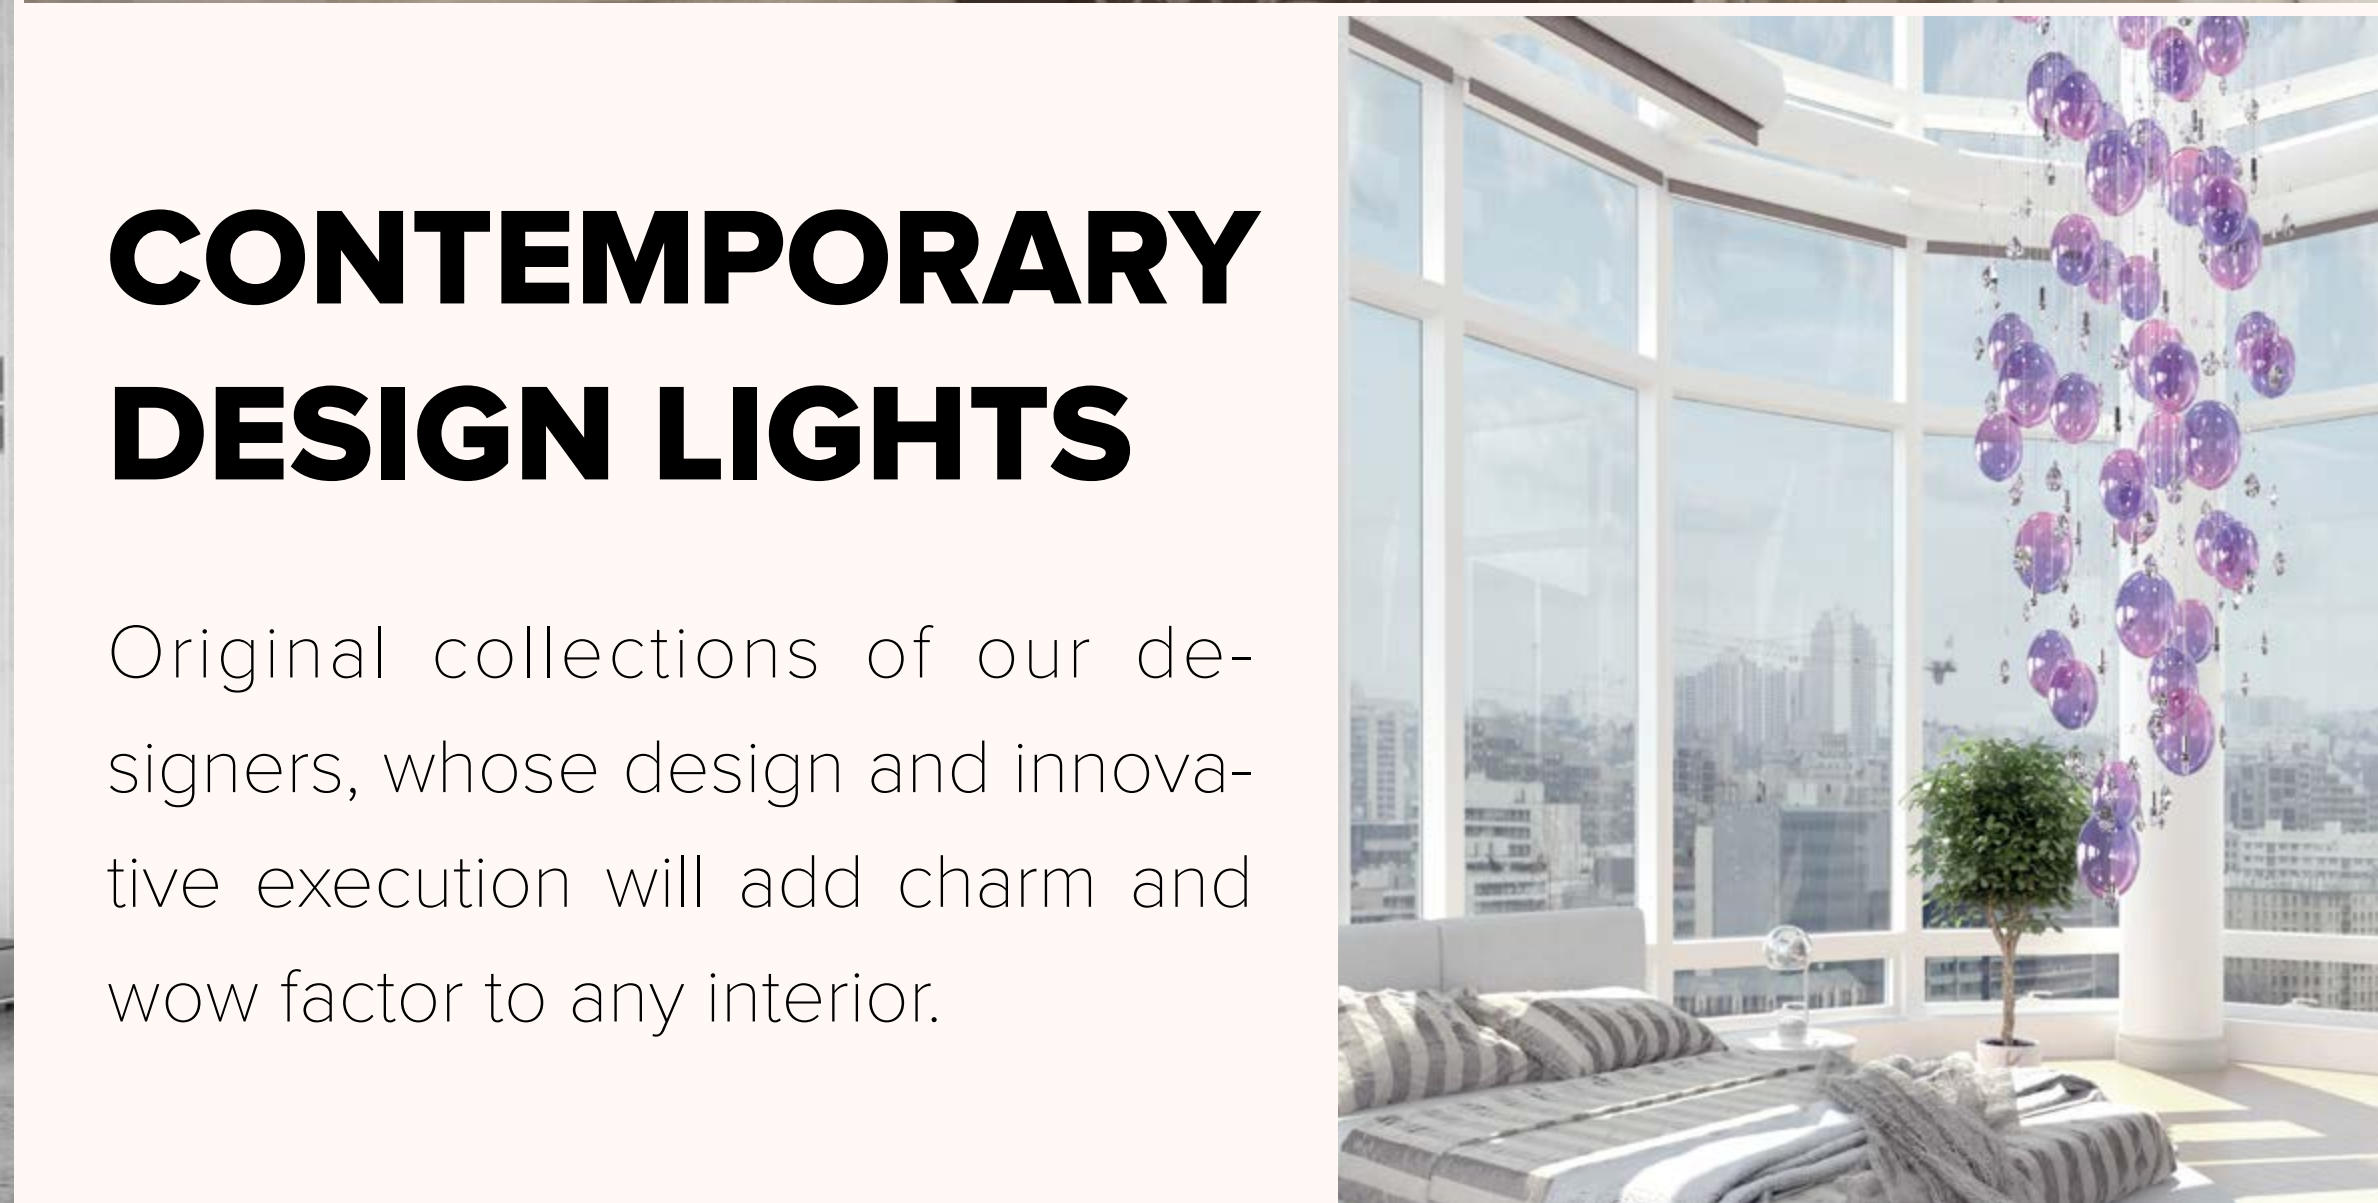

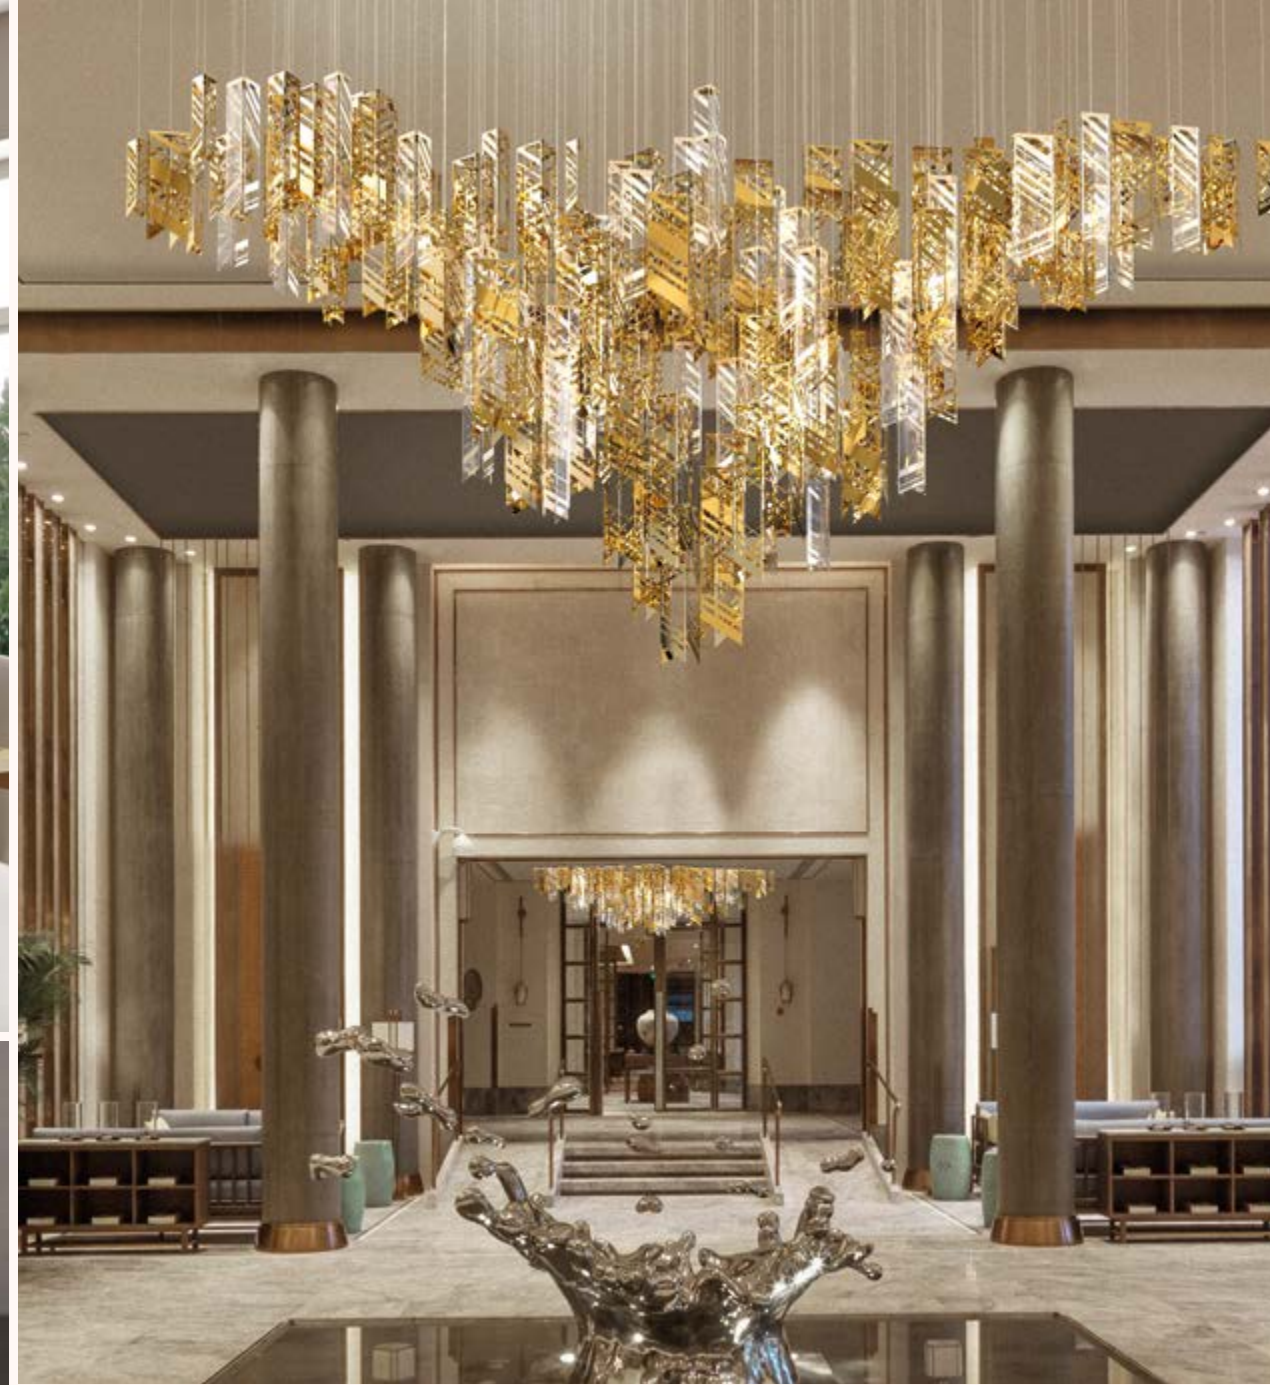

**СВЕТИЛЬНИКИ СЕРИИ  
МАРИЯ ТЕРЕЗИЯ**

Позвольте себе погрузиться в спокойную атмосферу светильника, который еще в 18 веке покорил своим очарованием императрицу Марию Терезию, и до сих пор является неизменным примером изысканности и элегантности. Эта модель, типичная для традиционных форм, пользуется интересом во всем мире. Поддайтесь очарованию истории и насладитесь истинным шедевром хрустального освещения.

You can find our traditional crystal chandeliers in our catalogue. We will be happy to send it to you upon request or you can view its electronic version [here](#).

## CONTEMPORARY DESIGN LIGHTS

Original collections of our designers, whose design and innovative execution will add charm and wow factor to any interior.

## SNOWFLOWER

This lighting fixture represents purity and the birth of life, locked in a never-ending cycle. The inspiration for this design was a spring flower that comes to life at the end of winter, symbolising the approach of spring. Snowflower is constructed out of overlapping glass petals. The centre of the light, which represents the heart of the flower, features crystal trimmings and chains.

# CUSTOM-MADE LIGHTS

Do you want a unique lighting fixture that no one else has? Do you have an idea in your head of how it should look? Even in this case, we are here for you. You will discuss everything with our experienced team of designers and we will guide you through the entire lighting process from initial design and advice to installation.

You can use our presentation [The Birth of a Chandelier](#) as a guide on how to proceed with the realisation of your own light fixture.

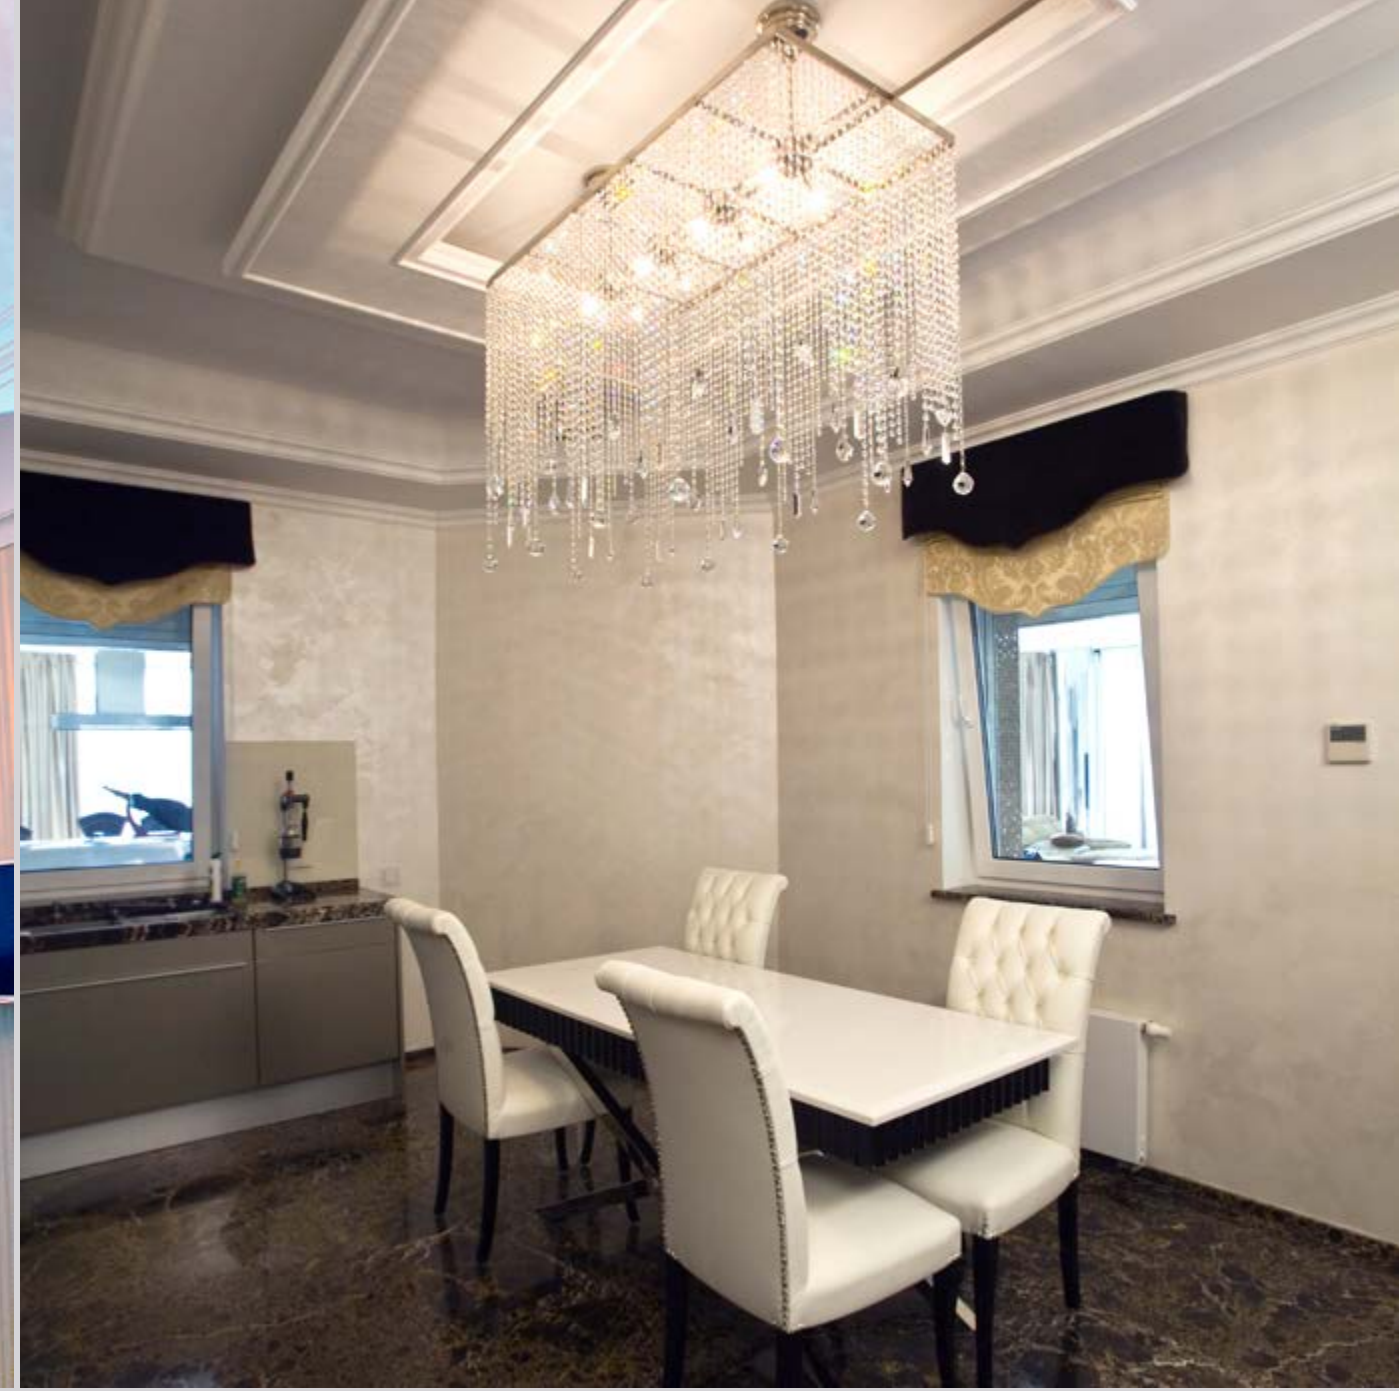

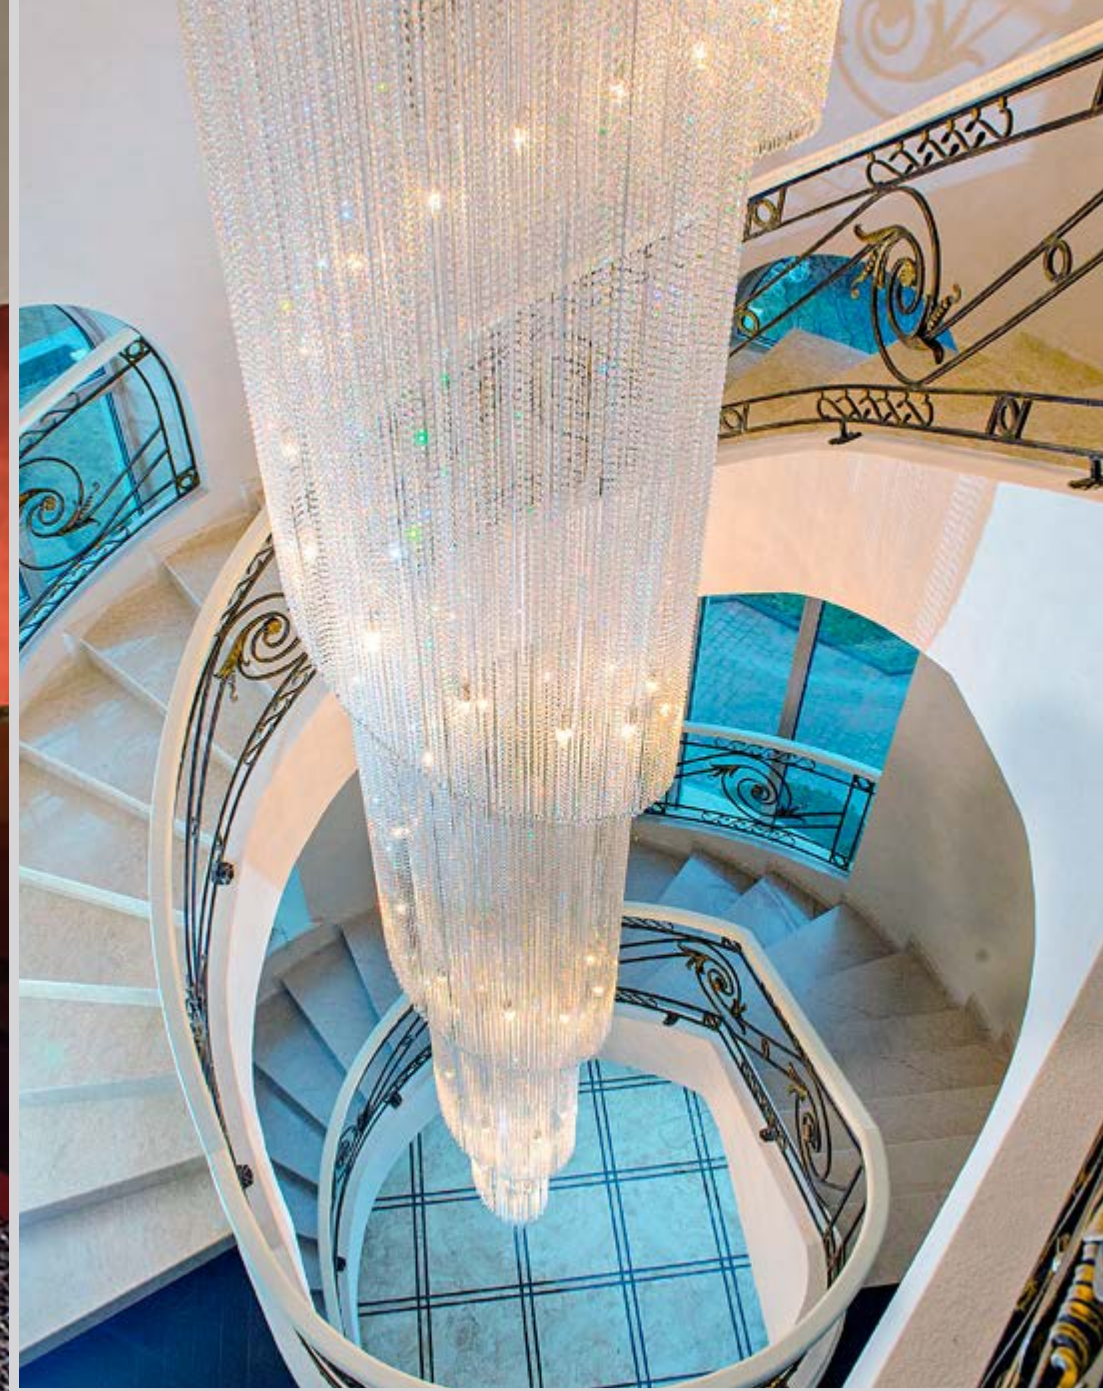

# LIGHTING PROJECTS

In our thirty years of existence, we have realised hundreds of lighting projects. We can deal with large projects, for example for hotels, castles, chateaux, religious buildings...

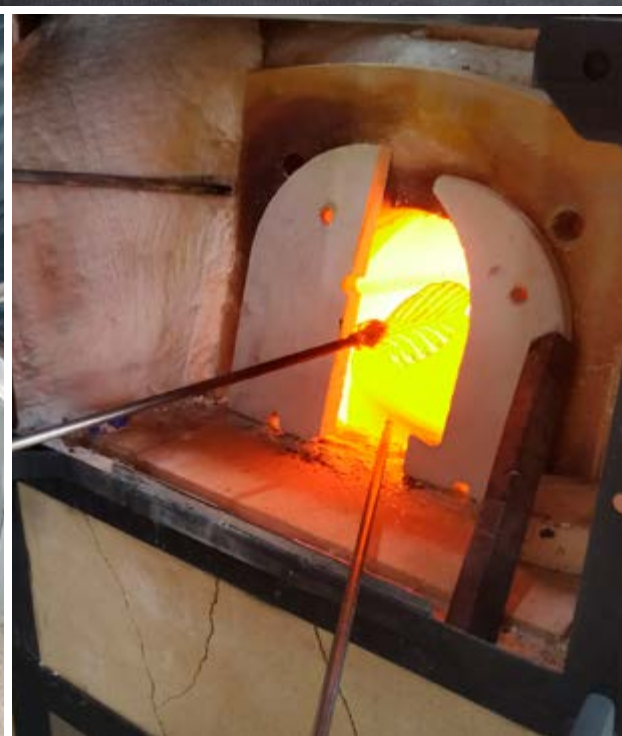

## LIGHTING PROJECTS

...we can also equip private residences exactly according to the wishes of our customers.

## WHERE TO FIND US

The company is based in Jablonec nad Nisou, a picturesque town in the north of Bohemia, which, thanks to its long-standing tradition of glass processing, is nicknamed the city of glass and jewellery.

After an appointment, we will be happy to welcome you to our showroom, where you can thoroughly inspect some of our lighting fixtures and thus convince yourself of the high quality of their execution.
